Annex

Letter dated 25 July 1995 from the Minister of Bosnia and Herzegovina and President of the State Committee for Cooperation with the United Nations addressed to the President of the Security Council

After extensive negotiations with the Karadzic military representatives that were undertaken with United Nations assistance, no agreement has been achieved.

I must underline that, under the current circumstances, clear directions from the Security Council are crucial, if these talks are to produce any acceptable result. Otherwise, the civilian population of Zepa will face a similar fate as those civilians in Srebrenica, during and after the assault on that safe area by the Serbian forces.

(Signed) Hasan MURATOVIC
Minister
President of the State Committee for
Cooperation with the United Nations
